Hidden Beauty in Tassiriki

A well established colonial style home decorated and arranged with a lot of taste. Every corner of this home has been thought in detail, the modern meets the tropical and island living with a lot of beautiful local hard wood making the place very warm and welcoming. Vaulted ceilings, a kitchen opening to a wide living area giving access to the verandah through French doors. Head on upstairs to find a large mezzanine of 40m²! So much space to be turned to a peaceful library, TV room, kids playground or whatever else suits your needs.
