

## DEVIL'S POINT

### New Family Home Near Beach

This new family home has been well thought about. It is definitely inspired by nature and fits so well with the surroundings and environment. Large outside area to entertain friends and family, great swimming pool and...the beautiful black sand beach just across the road, seconds only from the house. What would be more enjoyable to be able to have a swim after a long day at work and school for the children and relaxing in the ocean for a while before dinner. This is priceless.
